

THREE FAT GUYS

The remarkable journey of Three Fat Guys Winery, born in 2007 from the bold dreams of Green Bay Packers linemen Tony Moll, Jason Spitz, and Daryn Colledge. Their winemaking adventure started one memorable night at a Linemen Dinner. With Tony's access to the renowned vineyards of his hometown, Sonoma, they kicked off their venture with an exclusive 100-case release of 2007 Cabernet Sauvignon. Fueled by a passion for excellence, they've since partnered with elite vineyards, skyrocketing their production to 10,000 cases, producing Sparkling, Rosé, Sauvignon Blanc, Chardonnay, Pinot Noir, Red Blend, and Cabernet Sauvignon. At Three Fat Guys, the mission is clear and thrilling: craft the most exceptional wines from the prestigious regions of Sonoma and Napa County, creating unforgettable experiences for both longtime connoisseurs and new enthusiasts alike.
